

**AccuStandard<sup>®</sup>**  
**Leader in Analytical Reference Standards**

**LETTER OF ENDORSEMENT**

December 3, 2024

To Whom It May Concern,

Be it known that Chromatographic Specialties, Inc., having their principal office at 300 Laurier BLVD, PO Bag 1150, Brockville, ON K6V 5W1, Canada, is hereby recognized as the officially endorsed Exclusive and Sole Distributor for Canada of Organic and Petrochemical Chemical Reference Standards for AccuStandard, Inc. of 125 Market Street, New Haven, Connecticut 06513, USA.

Further, this Distributorship is one of our few Exclusive Distributorships (as opposed to Non-exclusive Distributorships which are majority of our international relationships). This means that Chromatographic Specialties, Inc. receives the highest level of priority attention from AccuStandard, Inc. and that we work together at the highest level of trust and cooperation.

Chromatographic Specialties, Inc. has passed the exacting requirements to be an Endorsed Distributor of AccuStandard; and has served the analysis markets of and has earned a good and high reputation among their peers. By being an Endorsed Distributor for AccuStandard's Chemical Reference Standards, Chromatographic Specialties, Inc., offers the following unique benefits to its clients: chemical standards produced by an ISO 9001:2015 certified, ISO/IEC 17025:2017, and ISO 17034:2016 accredited manufacturer, chemical standards that are manufactured with raw materials and equipment whose performance is traceable to NIST to the furthest extent possible, products with the longest expiration dates because they are directly shipped to Chromatographic Specialties, Inc. without storage in a third party warehouse, and AccuStandard will support any technical inquiries from customers of its Endorsed Distributors.

This letter of endorsement is valid until December 31, 2026.

Signed, this third day of December, 2024.

Sincerely,

Amy M. Harvey

President
