

# CHROMATOGRAPHIC SPECIALTIES INC.

## A-Z HPLC – Let Us Help You Each Step of the Way

Supplies for sample clean-up, concentration, storage, maintenance and analysis.

### Standards

Chromatographic Specialties Inc. is your single-source solution for standards. We have multiple suppliers of analytical reference materials.

Single-Source  
Solution

### Vials, Caps and Seals

Screw Top, Crimp Top, Wide Mouth, Standard Opening, Preassembled...we have them all!

### UV Syringe Filters

Your best option for quality syringe filters at lower prices!

### Solid Phase Extraction (SPE)

A flexible, reliable, cost-effective solution for laboratory extractions.

### QuEChERS

Quick, Easy, Cheap, Effective, Rugged and Safe clean-up method for pesticides and pharmaceuticals in food products, biological samples and similar analytes and matrices.

### LC Replacement Parts

- **Check Valves**

An economical option for faster and easier maintenance on HPLC and UHPLC instruments.

- **Plunger Seals, Fittings, Filters, and Tubing**

- **Valves**

Optimize your instrumentation for high speed, high throughput micro and nano flow UHPLC.

- **Lamps**

Deuterium, Tungsten, Xenon.

## HPLC Columns

PFAS Delay, Ultra, Allure, Raptor, Force, Viva, Pinnacle DB, Roc...

YMC-Pack, Pack Pro, YMC Basic, Carotenoid, Hydrosphere, J'Sphere, Triart, Meteoric, Sumichiral, Chiral...

Inertsil, InertSustain.

Asahipak, RSpak.

Nucleosil®, Nucleodur®, Nucleoshell®.

PRP®-X100 Anion Exchange, PRP®-1, HC-75 (H+) Cation Exchange, HxSil...

Hichrom Allsep, Alltima, Hichrom Prevail™ ...

Evoke™, AZYP TeicoShell, Whelk-O®, ChiroSil®, Celeris™, Reflect™..

For All Your Chromatography Needs...
