## CHROMSPEC™ GC Inlet Seals for Agilent GCs

**An economically-priced direct replacement  
for expensive Agilent seals!  
Compare our prices and save up to 30%!**

Ensure optimal GC analysis by using inert CHROMSPEC™ Gold GC Inlet Base Seals. These seals are precision machined from high grade stainless steel to provide exceptional sealing properties. Use with split/splitless injection ports on Agilent 5890/6890/7890 GC systems.
